The Life Expectancy Calculator is based on the Life Expectancy Tables in the IRS publication 590	
Current age:	
Retirement age:	
Life expectancy:	
Years in retirement:	

This calculator is provided for educational purposes only and does not serve as legal, financial or tax advice. You should always consult with your financial planner, attorney and/or tax advisor as needed.

Results and analyses are based on information provided by you and no assumptions are made as to your particular situation. Projections are hypothetical and are not guaranteed. All investments carry a degree of risk and past performance is not a guarantee of future results. Asset allocation and diversification do not ensure a profit and do not protect against loss in declining markets. You should discuss reallocation of funds, potential fees and investment options with your financial advisor.
